

RULES FILMING\PHOTOGRAPHY IN WEST COAST NATIONAL PARK

1. Always keep your permit with you in the event that a ranger wants to check it
2. No filming in bird hides or on boardwalks.
3. No vehicles allowed on beaches at any time.
4. No vehicles allowed (including no off-loading) on bottom parking (gravel) at Kraalbaai in front of rangers' office (green building).
5. No powered vessels permitted in the B zone of the lagoon.
6. All watercraft used on West Coast National Park waters during shoots must be in possession of a West Coast National Park boat permit (obtainable from the Conservation office in Langebaan).
7. No animals may be brought into the park.
8. No fires of any type are to be used in shoots.
9. No generators are permitted to be used.
10. All filming must take place during park gate hours. No exceptions.
Gate times are:
 - April to August: 07:00 – 18:00
 - September to March: 07:00 – 19:00
11. For the purposes of these conditions "Crew" includes models\actors, family members and crew working on shoot.
12. Crews are not allowed to bring more people than indicated on the permit and then pay park conservation fees for the extra persons to enter the park.
13. Always (and only) adhere to instructions of West Coast National Park rangers when on location
